FROM PRINCIPAL'S DESK

We bring to you our fourth edition of reflection 2021-22, our in house magazine. It is a medium by which we share our joys, challenges, vision, achievements and our world with you.

"The whole purpose of education is to turn Mirrors into Windows." At STV, we try to achieve same by carrying out educational trips, organising SEWA and seminars on life skills which is important to progress in this highly competitive world.

Our vision is to make STV Institute of academic excellence where students also enjoy scholastic and non scholastic activities.

It has been a year where life and the human spirit has faced challenges and emerged victoriously. We look ahead with renewed hope and new life to another wonderful period of imbibing both knowledge and values and acquiring holistic education that will make us better human beings.

A special mention of all the staff members who are pillars of our strength who have always shoulder their responsibilities with a smile. I congratulate the entire team for their hard work and dedication for making this magazine. The reflection of the students' and teachers creativity is the epitome of the magazine.

"With warm wishes and God's blessings".

Cherishable Memories

Today I have came up with lots of emotions. Even though I am not a very emotional person, I had a lot of memories of our schools Smt Taramai Vartak Memorial Academy, which shall remain with me throughout my life. These beautiful memories will always be an important part of my life. These memories that are truly priceless. I still remember my first day of my schooling, at that time life felt so difficult and hard, but within the due course my school became my first priority. The days I am in school are the best days of my life, I will be missing these little moments of fun playing on the playground, chilling on the ground floor or chatting at the corridors. The highly awaited and anticipated school bell for recess time is going to be one of my cherishable memory, as my friends along with me used to rush out of the classrooms as if we were some caged animals. Moreover, that feeling of intense excitement will be unmatchable. I think friendship and social interactions are one of the best aspect of school life. There is a widespread belief that school friendships are truly unbreakable. I would like to thank all my teachers and staff for making the school a place of excitement, where memories dwell in. The other non teaching staff especially, Tushar dada is more a friend to us. The 'mausi' keep the school atmosphere so pleasant just like our home. What we learn today in school, will surely lit up our future because our teachers who impart the content also inculcate the true values to us. As this is my last year in the school, I would like to take this opportunity to thank all my dear ones in this school who will be always a very important part of my life and be alive in my heart. Love you my school!!!

Love life to live life

Some say life is an ice cream;
Enjoy it, before it melts
The other say it's not so.
Then, what is exactly life?
A philosopher may say that,
It's a journey of wise.
A jolly good fellow may say,
It's a matter for all to devise .
A down hearted may say,
It's all about despise.
But, don't you think all these are just lies.
Life may be a journey or not
Life may be about devise or despise
Life has to be well played,
Until the game is over!!!
There may be ups and downs,
Others may look at us as clowns,
We may feel as if the life drowns,
But remember, these glitches will
Strengthen us to pounce
The only magic Mantra,
Which acts like a tantra -
Is love life to live life!!!
Whatever comes into your life,
love it then you can relish your life.

वह कौन

मंदिर के कोने में , वह चुप सी खड़ी ,
दुबकती - सिसकती , पहने फटी पुरानी गुदड़ी
चलते हुए मंजीरों से वो , एक ही बात कहती
अल्लाह के नाम पर दे दे रे बाबा , ईश्वर तेरा भला करे ।
भूख से बिलखती , अंतर्द्वियाँ सिसक आई ,
और नयनों से , अश्रु धारा छलक आई ,
जिससे मन मस्तिष्क पर , मर्मनात्मक रेखाएं उभर आई ,
तिस पर भी उस मुख मण्डल पर ,
एक दिल आभा झलक आई ,
फिर भी न वह थकती ,
इस समाज की यातनाएं , प्रताड़नाएं ,
सब कुछ है वह सहती ।
करुण भाव से आर्कांत , मस्तक पर गहराई ,
मानो उसकी अंतर्वेदना , अनायास ही उभर आई ,
शायद अपनों ने ही दुल्कारा उसे ,
'यूज एंड थो' की संस्कृति ने मारा उसे,
अपने ही घर में बनी पराई ,
मुझे तो यहाँ भी , बाजारवाद की झलक है देती दिखाई
तत्क्षण ही एक पुरोहित आया , लगा उसे भगाने ,
मंदिर में आकर लगी है तू , अल्लाह का नाम गुनगुनाने ,
किस धर्म की है ? क्या नाम है तेरा ?
इस मंदिर में आई है , पर कौन भगवान है तेरा ।
हाथों में पहने , लोहों की कड़ी ,
डरती - डरती , सहमी - सहमी सी ,
बोली -

मैं जानती कुछ भी नहीं , कि कौन मेरा धर्म है ,
जिस अंश में समाई हूँ , हिन्दू या मुस्लिम वर्ण है ।
पीड़ा है उसकी , जैसे स्वयं कुछ बोलती ,
इतनी सी उम्र में , वह दुनिया को टटोलती ,

सच -

देखने वालों ! अंतर्मन में , वह एक दर्द सा घोलती ,
जब कुछ न मिला , इस दुनिया से ,
तो हर अपमान को सहती , फिर भी यही कहती है कि ,
अल्लाह के नाम पर दे दे रे बाबा , ईश्वर तेरा भला करे ।
दिन बीते फिर मासों बीते , एक ही क्षण में वर्षों बीते ,
आज भी वह बूढ़ी अम्मा , उसी अंधेरे कोने में ,
खड़ी नजर आई , जिसे हर व्यक्ति ने ,
बाहर की राह दिखाई ,
सोचो हे भविष्य के कर्णधारों ,
यह कैसी घड़ी दृश्यमान हो आयी ।
जानते हो -
गली के अंधेरे कोने में खड़ी ,
जो -
कचरे के ढेर में बिनती ,
अपना स्वाभिमान ,
खोजती ,
अपना व्यक्तित्व , अपनी खोई पहचान ,
जो तुम जैसी संतानों के , घोर विषाद से हुई ग्लान ,
वह कौन है -
आह !
वह तो है राष्ट्रभाषा
मेरी - तुम्हारी , हम सभी की ,
जो दुबकती - सिसकती ,
पांवों में डाले परतंत्रता की कड़ी ,
पहने फटी पुरानी गुदड़ी ,
अपना अस्तित्व खोजती नजर आई ।
