Editorial

All over India, we are in the festive mood of celebrating "Azadi Ka Amrit Mahotsav". It is an initiative to celebrate and commemorate the 75th year of Independence and Celebrate the glorious history of India's people, culture, and achievements. Adding colours to our festivity we welcome you to the 18th Academic year 2022-2023 and the Eight Edition of this magazine which showcases the role of the facilitators and the support of our Management through this platform of STV Reflection.

Our school has successfully faced the pandemic without compromising the academic and socio-emotional well-being of our students. This was possible because of the untiring efforts of our teachers, management team, and our parents whose generous backing and cooperation made it possible. Our magazine is to be viewed as the launch pad for our children's creative urges to blossom naturally. As the saying goes, "Mind works best when opened." Thus, we try our level best to open up all the doors of opportunities to our talented Champs. The enthusiastic write ups of our young writers and teachers are indubitably sufficient to hold the interest of our readers.

We are thankful to our mentors **Mrs Prachi Bage Vartak madam (Member of Governing Council)** and **Mr Pushkaraj Vartak Sir (Member of School Committee)** for their unwavering support and encouragement. The guidance of **Dr Sarika Rawat madam**, Principal of N. G. Vartak English Medium High School has encouraged us to escalate many new programs, wherein we have adopted a remote school, where we give our selfless service to the underprivileged children through ' **Vikas Sevavrat Vrudh**'. Even our dedicated teachers have selflessly donated a sum of their salary towards the education of needy students through the **Safalya Nidhi** Fund. Under the continuous guidance and support of our Headmistress - **Mrs Ranjana Kolwankar madam**, we have channelized many programs which not only will enhance our school's growth but also the advancement of our society. We are sure that our efforts will definitely stir the mind of the reader and take them to the surreal world of reading. Happy Reading!

- Mr Jackson Dabre

Our Mentor's Success! Hearty Congratulations!!!

Our beloved Rawat madam has achieved Doctorate degree from University of Mumbai and made every one of us proud and happy. Madam has added laurels to her list of achievements by earning doctorate degree in the year 2022. We are always proud of Madam for everything she has achieved so far. Once again heartfelt congratulations to **Dr Sarika Rawat madam** from STV family.

"A symbol of hope for those who were waiting for a new Life"

Late Smt. Pratibha Udayan Vartak, the immediate relative of our **President Sir** and Ex student as well as a merit holder of K. G. High School, Agashi set an example to mankind by donating 8 organs giving a relief to 8 patients. She has initiated **ORGAN DONATION** which itself is an inspiration to everyone of us. Madam Pratibha Vartak left for heavenly abode on August 24, 2022. Though Pratibha Vartak madam is not among us, but she will always be remembered for her humanitarian deeds of giving a new lease of life to patients who were aspiring for new life. We pay homage to such a divine soul. **भावपूर्ण श्रद्धांजली !**

Save Seeds, Save Nature

we owe a great debt towards our Mother Earth. We are extremely grateful to our mother Earth for all the beauty in the world and the magical gifts in the form of natural resources. To pay tribute to our Mother Nature, all that we can do is help the nature to replenish its lost beauty. Our enthusiastic nature lovers participated in an Activity of Saving Seeds, initiated by **CBSE**. Young buddies took collective efforts to wash, clean and preserve those seeds which was then made into seed balls and then sowed back in nature. The bundle of hope in the form of seed ball will surely grow back into a huge tree.

- Ms Ashna Bhagtani

Environment Day and Earth Day Celebration

Nature is at its best when it is appreciated and taken care of. Like every year, STVians decided to practice real life applications like Bird feeder, Eco Bricks and Compost making. Our teachers are nature friendly and practice loving and taking care of nature, not only on such important days but everyday. We prepare our own compost and use it for our Botanical Garden. With such activities, students will learn to create Sustainable Environment for themselves.

Activity Based Studies - 'Learning by Doing'

Hands on Learning Experience

Learning without fire

Healthy green sprout salad making activity was conducted for class III to enhance the culinary skill and develop healthy eating habit as sprouts are called miracle food! They are one of the most nutritious food to eat. They contain fibre, protein, minerals, vitamins and enzymes. Fibre helps you digest better, protein makes you strong and mineral and vitamins add more energy in you. Children also learn the scientific process of sprouting by germinating seeds. This activity taught children the importance of including a salad in their diet to live a healthy life. It also encourage them to be independent and boosted the confidence to work. Children relished this sprout salad made by them.

- Ms Amy Corriea

Science Laboratory

Scientific Temperament is an essential skill that each individual must possess. Its all about WHY and HOW which makes Science interesting. Our young buddies of class V often visit the Science Laboratory. Following is the glimpse of laboratory Visit of our class V Students. Students are experiencing "Doing" instead of rote learning.

Hands on Learning Experiments and Experiences

Zoo Manners

Students of II grade were asked to make animal masks The idea behind taking this activity was that they can learn features and characteristics of different animals. Students enjoyed as they were able to see different animal masks. The objective was fulfilled as students became aware that all animals have unique features and they all contribute to nature.

- Ms Seny Jose

Trying Culinary

In order to beat the summer heat, children made lemonade. This activity taught children to improve their hand motor skills. This relishing activity is definitely a part of Food Integration.

आर्ट इंटीग्रेशन

आर्ट इंटीग्रेशन गंभीर विषयों को पढ़ाने का एक नया तरीका है। जिसमें कला के विभिन्न रूपों को टीचिंग टूल के तौर पर इस्तेमाल किया जाता है। पढ़ाई के इस तरीके का मुख्य उद्देश्य एक विशेष कला की बारीकियों को सिखाना नहीं है बल्कि इसमें कला के बेसिक ज्ञान का इस्तेमाल करते हुए मुश्किल विषयों को आसान बना कर पढ़ाया जाता है। इससे मुश्किल और भारी-भरकम दिखने वाले विषय आसान बन जाते हैं और सीखने वाले पर गहरा प्रभाव छोड़ते हैं। इसी पर आधारित कक्षा पाँचवी में अध्यापिका पूजा नाईक और रीना पाटिल ने जहाँ चाह वहाँ राह इस पाठ पर आधारित रुमाल पर तरह- तरह की कशीदाकारी बनाने के लिए सिखाया। बच्चों ने उस गतिविधि को बरी सुलभता के साथ अच्छे से बनाया। और इस गतिविधि का आनंद लिया।

Time Management = Life Management

When Wealth is Lost, Nothing is Lost;
When Health is Lost, Something is Lost;
When Time is Lost, Everything is Lost.

We run according to our **To Do List** but by the end of the day we are always in search of extra time. We were glad to be a part of a session wherein we got some tricks and tips on Saving Time as well as avoiding stress while working. Dr Brijesh Joshi, Professor at Viva College, IT Department and also our stake holder organized a session on the topic 'Time Management' in collaboration with ISKON. The Resource Person for the day, **Shri Krishna Bhajan Das Prabhuji** and his team shared several fruitful activities which helped us to not only challenge the obstacles in front of us but also work with great endeavors. SWOT Analysis and Time Management skills were some of the important highlights of this wonderful seminar.

- Ms Ashna Bhagtani

A session on Girl's Safety

A session on 'Girl's Safety' was conducted on World Mental Health Day by our resource person **Mr Milind Gajanan Neela Ponshe and Police Inspector Mr Santosh Chaudhari**. The resource persons enlightened students about the importance of staying vigilant at all times. He also focussed on important topics like being independent and confident. The resource person conducted several brain game activities and how one must be active with physical games by reducing screen time. Overall, it was an enthusiastic session wherein sensitive topics were taught to students with fruitful activities.

- Ms Ashna Bhagtani

Parenting Skills and Quality Time with Kids

An exclusive seminar was organised for Parents of our Champs to enhance their parenting skills such that they become role models for their little ones. Our resource person **Father Nilesch Tusciano** enlightened the different aspects of good parenting. **Father Nilesch's** profound knowledge in the field of education and sir's understanding of human kind and its nature truly helped the parents to gain knowledge regarding children psychology and their needs.
